

# Invitation to the annual Antiracist Football Tournament from 5<sup>th</sup> to 7<sup>th</sup> July 2013 in Winterthur, Switzerland

February, 2013

Hello to all antiracist football supporters

While last year's tournament in Hamburg, the idea of organizing this year's tournament in Switzerland came up. After we clarified the possibilities to run this tournament around Winterthur, we're glad to invite you to our

"International Kick for tolerance".

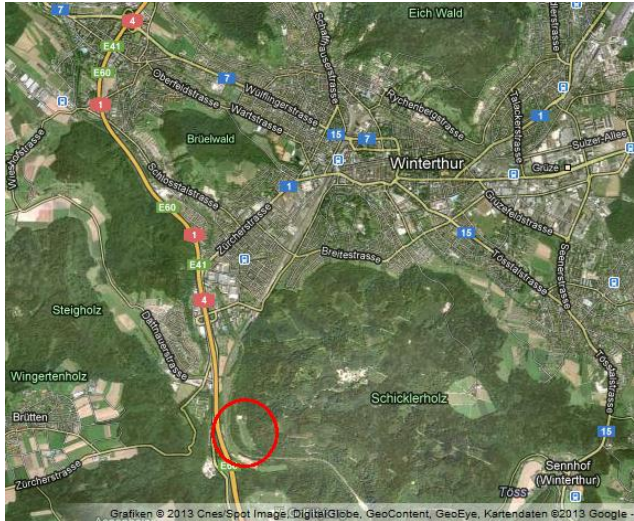

We're going to extend our annual tournament into a tournament with international teams, similar to the antiracist tournaments we've joined in Hamburg the last year's.

**We need your definitive decision of participation including number of participants of your group (Max. 20) until the 30<sup>th</sup> april 2013!!!**

We hope that many people will find their way to Winterthur, and are hereby really pleased to invite your group to participate at the tournament.

## Provisional programme / information:

The tournaments venue is placed a little bit outside of Winterthur:  
Stadium Reitplatz, FC Töss, Reitplatzstrasse, 8406 Winterthur

...next to the river Töss.

Evening                Trophy ceremony, farewell party

Beverages and food will be sold at the tournament site at low prices (lower prices for our international guests), that is, in order to refinance the tournament. Please bring your banners, information and barter material. Of course you can establish stalls to sell your group material.

Because of small numbers of pitches and numerous teams there is no possibility to run a separate women's tournament. Thanks for your understanding.

**Due to the effort to create a tournament booklet we ask you, if you participate, to create one A5 DIN page of your team. Feel free designing this page but don't forget the following:**

- **A picture and a description of your team (few sentences)**
- **Biggest actual troubles your team has to fight with...**
- **Which team do you support besides yours?**

**Together with your registration (until 30<sup>th</sup> april 2013) send this to our contact [antira\\_winti@bluewin.ch](mailto:antira_winti@bluewin.ch).**

Please consider in the first place:

- The appearance of any national flags is not desired.
- Camping will be on site
- **The number of participants for your group should not exceed 20 people.**
- We are holding the tournament on the site of FC Töss. Please handle ALL facilities with care and respect, especially the locker room incl. showers and toilets! No shitting or pissing in wildlife outside and inside the training ground.
- There were a lot of costs for garbage last years and we have to clean the training ground for hours. Please help us this year, keep the place tidy, don't leave your tents and camping gear there.

We invited teams from Italy, France, Spain, Greece, Ireland, Scotland, England, Austria, Belgium, Czech Republic, Norway, Poland, Denmark, Israel, Belarus, Cyprus, Ukraine and Germany and hope that many of you will come.

Fighting against discrimination, sexism and racism!
